Park on the road outside. Come through the wooden gates and down the drive. My treatment room is on the right at the end of the length of fencing. I do not have a waiting room but I do try to leave 10 minutes between appointments. If you are earlier than your appointment time, would you please mind waiting in your car. Thank you

If you get lost ring 07833 605156 and I will help guide you in. If you are lost in the village, don't worry, there are only four roads which are set out in a square pattern!
